# Erratum

**Erratum: Jeter JM, Bowles TL, Curiel-Lewandrowski C, et al. Chemoprevention agents for melanoma: A path forward into phase 3 clinical trials. *Cancer*. 2019;125:18-44.**

In this review, the name of Frank L. Meyskens, Jr., MD, of the Chao Family Comprehensive Cancer Center, University of California, Irvine, was inadvertently omitted from the list of authors. Dr. Meyskens's name should appear immediately following Svetomir N. Markovic, MD, PhD, in the list of authors.

The authors regret this error.
